DEPARTMENT OF HUMAN SERVICES

SECTION 3 POLICY AND PROCEDURES

Revised June 2012

LEE COUNTY DEPARTMENT OF HUMAN SERVICES
SECTION 3 POLICY AND PROCEDURE
REVISED 2011

It is the policy of the Lee County Department of Human Services (DHS) to comply with the requirements of Section 3 of the Housing and Urban Development Act (HUD) of 1968 pursuant to 24 CFR 570.607 (b) which helps foster local economic development, neighborhoods economic improvement and individual self sufficiency. This legislative directive provides preference to low income residents, and businesses that substantially employ these persons, for new employment, training, and contracting opportunities resulting from HUD-funded projects.

As such it is the intent of DHS to give, to the greatest extent feasible, (consistent with existing Federal, State, and local laws and regulations), employment, contracting and other economic opportunities arising in connection with a proposed project to low-income persons, Section 3 residents and businesses in the local community, and that contracts be awarded to eligible businesses which employ and/or are owned in substantial part by such low-income persons residing in Lee County.

In order to accomplish this objective, all Lee County Construction projects anticipated to cost in excess of \$100,000 and which involve HUD financial assistance shall comply with the full and complete Section 3 requirements including bidding procedures set forth in the Section 3 Business Concern/ Disadvantaged Business Enterprise Participation Policy. As noted in Chapter 2, item I of the Department's Construction Manual, all Contractors shall comply with Section 3 of the Housing and Urban Development Act of 1968 (12 USC 1701u) and the implementing regulations in 24 CFR Part 135. Thus, Section 3 requirements are incorporated into the Construction Manual, the bidding packet, the General Contractor Packet, the preconstruction conference and in all covered contracts.

For construction contracts under \$100,000 every effort will be made to hire Section 3 residents if new employees are required for the project and to contract with a certified Section 3 Businesses if sub contractors are needed. Contractor will be required to sign a notice at the beginning of the project (Notice to Proceed Form) of their intent to hire new employees and of requirement to track and report information for new hires.

For all construction contracts awarded by Lee County Department of Human Services, every effort will be made to utilize a Section 3 Business and to hire Section 3 residents.

Residents and business, should contact the Real Estate Development Dept., Housing Authority City of Ft. Myers, 239-344-3232 to be identified as qualified under Section 3 regulations. Contractors needing new hires should also contact the Real Estate Development Dept., Housing Authority City of Ft. Myers, 239-344-3232 to receive a list of qualified Section 3 residents and businesses prior to advertising or using other methods to hire new employees or contracting work.

Section 3 is triggered only when the normal completion of construction and rehabilitation projects creates the need for new employment, contracting, or training opportunities. Section 3 regulations do not mean that recipients are required to hire Section 3 residents or award contracts to Section 3 businesses other than what is needed to complete covered projects/activities.

Section 3 residents or businesses are not guaranteed employment or contracting opportunities. Residents must demonstrate that they meet the qualifications for new employment opportunities created and Section 3 business

must submit evidence to demonstrate that they are responsible firms and have the ability to perform successfully under the terms and conditions of the proposed contract.

Residents and business, should contact the Real Estate Development Dept., Housing Authority City of Ft. Myers, 239-344-3232 to be identified as qualified under Section 3 regulations. Contractors needing new hires should also contact the Real Estate Development Dept., Housing Authority City of Ft. Myers, 239-344-3232 to receive list of qualified Section 3 residents and businesses prior to advertising or using other methods to hire new employees or contracting work.

In order for the Department to be considered in compliance with the regulation, DHS will make, to the greatest extent feasible, efforts to achieve the three annual minimum numerical goals as set forth at 24 CFR Part 135.30, for employment and contracting

Efforts to ensure that these levels are achieved include: 1) requiring that all contractors post information at job sites in effected areas regarding employment opportunities and preference in hiring Section 3 employees and 2) advertising projects identifying contracting opportunities and the preference to utilize Section 3 businesses.

As required, DHS will also conduct the following activities:

1. Inform sub recipients about the requirements of Section 3;
2. Assist sub recipients and their contractors with achieving compliance;
3. Inform all potential contractors about Section 3 requirements and provide training.
4. Notify all potential contractors about eligibility to be certified as a Section 3 Business and encourage certification if applicable.
5. Require contractors and sub recipients if applicable to contact the Real Estate Development Dept., Housing Authority City of Ft. Myers, 239-344-3232 prior to bidding projects and/or hiring new employees to ensure that eligible Section 3 residents and businesses are considered.
6. Require contractors to submit project reports at the completion of a project or as indicated in contract The reports will include documentation of advertisement opportunities and new hire form for all employees hired during course of project
7. Post on DHS website information about how to become certified as Section 3 Business and/or be qualified as a Section 3 resident.
8. Inform residents and businesses about Section 3 certification criteria to encourage participation.
9. Monitor sub recipients' performance with respect to meeting the requirements of Section 3;
10. Refrain from entering into contracts with contractors that are in violation of Section 3 regulations.
11. Report to HUD on the cumulative Section 3 activities taking place within their jurisdiction by submitting HUD form 60002 annually, pursuant to 24 CFR Section 135.90.

The reporting cycle for Lee County DHS is concurrent with the CAPER report. Form HUD 60002 (the primary existing vehicle to track job creation) is due by September 30th and will be submitted to the Employment Opportunities Division, HUD Headquarters by the DHS Section 3 Officer. A tracking form to collect required Section 3 information necessary to complete the 60002 will be utilized on a regular basis by each unit within DHS that manages construction projects.

Enforcement strategies – During the post award or pre-bid conference, critical Section 3 information will be provided to the contractor prior to commencement of the work/project. The contractor will be required to certify its understanding of the terms and conditions of the contract as they pertain to Section 3 requirements.

The DHS contract manual stipulates that an on-site program monitoring will be conducted annually of all agencies funded by/through the Department of Human Services. The on-site monitoring visits will take place during the term of the contract and prior to contract closure. Additional on-site visits may be necessary as follow-up or to comply with federal requirements such as Davis Bacon and Section 3. The purpose of monitoring is to inspect, review and report on the agency's compliance with the terms and conditions of the contract in order to be assured of satisfactory performance.

Complaint Procedure - Any Section 3 resident or business (or authorized representative) seeking employment, training or contracting opportunities generated by Section 3 covered assistance may file a written complaint using HUD form 958(http://www.hud.gov/offices/fheo/section3/rev_958_final.pdf). Section 3 complaints must be filed at the appropriate FHEO Regional Office in which the violation occurred.
