Please do not bring original documents, as we will have to make copies and that takes time.

In addition, we have to pull credit as a HUD requirement unless you bring a tri-merge RECENT credit report. The credit report we pull is a "Soft Pull" and does not affect your credit score in any way. CREDCO charges us \$19.00 per person so that would be the charge to you, we will give you a copy of the credit report to take with you when you leave, we take cash, or charge.

Thank you we look forward to working with you
